TRAXXAS GUIDE | MODEL NUMBERS

KNOW YOUR MODEL NUMBERS
It's easy to tell what you're getting in any Traxxas model! If you know how to break down the part number, three simple pieces of information will tell you what you need to know about ANY Traxxas vehicle.

77086-4

Model	Radio System	Features
2-digit number designates the style of the vehicle	Single digit designates which Traxxas radio system is included	Single or 2-digit number tells what features are included
<i>Popular Model Designations</i>	<i>Radio Designations</i>	<i>Feature Designations</i>

Inspect your model's chassis to locate the serial number.

How to Identify an Affected Model by Serial Number Range

For example, on this model serial number A6252000 and lower are affected products.

For example, on this model serial number A6252000 and lower are affected products.

AFFECTED EXAMPLE
Serial Number is **LOWER** than A6252000

TRAXXAS[®]

The Fastest Name In Radio Control

Traxxas, 6250 Traxxas Way, McKinney TX 75070 USA
